

Reflecting Pool and Cabaña Area

Welcome

Secluded in the heart of a magnificently landscaped 27-acre canyon, Leo Carrillo Ranch Historic Park is the perfect location for your outdoor wedding, reception, family reunion, corporate or non-profit fundraiser, or other special event.

Imagine a unique historic Spanish-rancho setting surrounded by romantic hand-crafted adobe buildings, red-tiled roofs, antique windmills, a reflecting pool and white sand beach, hidden courtyards, custom flagstone patios, wooden foot bridges, gently flowing creeks, and colorful peacocks. Mature pepper, sycamore, oak, dragon, and citrus trees along with aloe vera, agave, bougainvillea, and blooming Birds of Paradise compliment the rancho's spectacular natural landscaping.

Rancho de los Kiotes, a designated National Historic Landmark, was once a vacation retreat and working rancho belonging to actor Leo Carrillo. Carrillo hosted many famous fiestas for Hollywood notables at his rancho. The park was opened to the public in August 2003. The City of Carlsbad has recently completed Phase II of the park's restoration project which included a spacious new parking area, paved and natural pathways, modern restrooms, and many other visitor improvements.
